^ From the East

Thank you Brethren for your support in electing me as your Worshipful Master. This year should be a fun and exciting year. I have some plans of having some of the affiliated youth groups perform some of their ritual work for us. This will be exciting and informational for all. Our first visitation is coming up fast. On October 26, there is a visitation to Landmark Lodge in Maple Ridge B.C. I encourage all who can attend to go as they are having their annual chuck wagon night, this will be fun. Thanks again for your support and I know we all are looking forward to a full and exciting year.

From the South

Greetings Brethren All,

Thank you for electing me as Junior Warden. I am glad for the opportunity and will try to surpass your expectations. Given all the cool guys I've seen at Maritime as examples, it should fall right into place.

Absent a reprieve from the limitations against revealing political and religious profundities, here instead I just pray humbly for profound good health, for all our families and us. We walk various and sundry paths between the numerous times spent with loved ones. We visit worry most over the welfare, quality and safety of it.

My mind's eye now holds images of you and I pause imagine the very best towards that, which we might still hold dear.

From the *Secretary's Assistant's Desk*

What you can expect from the Secretary's or his Assistant's desk is information only as good and complete as that which he is provided with. Therefore, if this portion of the electronic trestle board "The Mud Hook" is to be meaningful and informative it will depend on the quality of your input. If you have an event or announcement that you would like included, please submit it to me with a description of the event including the date and time.
